Patents   Patents 1 - 10 on **ordering module, local carrier, end user, inter provider**. (0.31 seconds)

Did you mean: *ordering module, local carrier, end user, interprovider*

System and method for providing competing **local** exchange carriers unbundled access to subscriber access lines
US Pat. 6118777 - Filed Oct 27, 1997 - Nortel Networks Corporation
9 is a block diagram showing the **end user** systems 40 being connected to a ...
local exchange **carrier**, or be switched to said network **inter**-face **module** for ...

Data exchange system and method
US Pat. 6453356 - Filed Apr 15, 1998 - ADC Telecommunications, Inc.
In particular, expandability, flexibility, and scalability is introduced into
the information system environment of the **local** exchange **carrier** #1 which was ...

Method and apparatus for bypassing a **local** exchange **carrier** using analog in-band signaling
US Pat. 6363080 - Filed Feb 26, 1997 - LightSource Telecom LLC
Typically, the FXS **module** is used to provide **local** telephone service from a ...
is contemplated that a TI service **provider** could lease TI lines from the LEG ...

Method and apparatus for bypassing a **local** exchange **carrier** to permit an independent central office to provide **local** calling services
US Pat. 5991310 - Filed Jul 9, 1997 - Dynamic Telecom Enginering, L.L.C.
Typically, the FXS **module** is used to previde **local** telephone service from a ...
to be FXS toward the far **end** Central Offices and FXO toward the **carrier**. ...

Internetwork communication system using tiers of configurable multiple bandwidth capacity modes of operation
US Pat. 6154770 - Filed Oct 30, 1997 - Merrill Lynch & Co. Inc.
2, when a **local user** needs to access another **user** on the internetwork, ...
ATM services can be provided by a telecommunications service **provider** and used to ...

Independent central office which provides **local** and long distance calling services to new residential and commercial developments
US Pat. 5970130 - Filed Sep 19, 1997 - Dynamic Telcom Engineering, L.L.C.
Typically, the FXS **module** is used to provide **local** 35 telephone service from a
... to be FXS toward the far **end** Central Offices and FXO toward the **carrier**. ...

Method and system to securely distribute content via a network
US Pat. 6993137 - Filed Dec 16, 2002 - Entriq, Inc.
26 illustrates an exemplary sequence of **user inter**-faces that may be presented by
... would in this case be presented to the **end user** as the default wallet. ...

Configurable network router
US Pat. 6950391 - Filed Oct 7, 2003 - Cisco Technology, Inc.
21 Resource Manager A resource manager (RM) is the software **module** ... duration of
the virtual wavelength path to be tailored to the needs of the **end-user**. ...

Virtual loop **carrier** system
US Pat. 6731627 - Filed Nov 17, 1999 - Cisco Technology, Inc.
The CORBA server extends an API 387 to service **provider** operation systems (oss)
for support ... is implemented in a home LAN protocol software **module** 406. ...

Virtual loop **carrier** system with cobra interface for gateway control
US Pat. 6915521 - Filed Nov 28, 2000 - Cisco Technology, Inc.
The CORBA server extends an API 387 to service **provider** 45 operation systems (oss)
for support of ... is implemented in a home LAN protocol software **module** 406.

Patents

Patents **1 - 10** on **integration, customer order, provider ordering module**. (0.16 seconds)

Consolidated billing system and method for use in telephony networks
US Pat. 6266401 - Filed Sep 17, 1998 - Sprint Communications Company, L.P.
Cooperation between the IPS **module** 128 and **integration** interface 126 ... If the
CPE **module** 144 determines 164 that a particular **customer** is **ordering** more ...

System and method for multi-source transaction processing
US Pat. 7069235 - Filed Mar 3, 2000 - pcOrder.com, Inc.
An **integration** interface 330 is used to ensure that each **provider order** 440 ...
A client system 105 transmits an **order** 410 from a **customer** 102 to the **order** ...

Method and system for dynamic service profile **integration** by a service controller
US Pat. 7027408 - Filed Apr 25, 2001 - Qwest Communications International, Inc
For example, individual communica- **customer** able to **order** that type of ...
can be **module** 52, a dynamic multiservice user profile **integration** performed in ...

Method and apparatus for **ordering** data processing by multiple processing modules
US Pat. 6782531 - Filed Aug 1, 2002 - Metratech
One problem that arises relates to **integration** of such new 50 value added ...
plug-in processing **module** will commence operation in the proper **order** when the ...

System and method heterogeneous data source **integration**
US Pat. 6684214 - Filed Jul 30, 2001 - Quovadx, Inc.
Once the data source recognizer for the trading partner has been generated, a
custom **module** for the trading part-ner's purchase **order** should be created ...

Transport logistics systems and methods
US Pat. 6915268 - Filed Jul 27, 2001 - Odyssey Logistics & Technology Corporation
From the perspective of the **ordering customer's** system, the purchase **order** remains
open and unpaid until the ordered product(s) is physically received from ...

Method and system for dynamic service classification and integrated service control
US Pat. 6674725 - Filed Apr 25, 2001 - Qwest Communications International, Inc.
2, the communication service **provider** may operate a distributed service processing
... **module** 52, a dynamic multiservice user profile **integration module** 54, ...

Visual data **integration** system and method
US Pat. 6208345 - Filed Jun 8, 1998 - ADC Telecommunications, Inc.
Information extracted from the **customer** phone record sys-tem 80 using the screen
scraper 84 may also be transmitted to the joiner **module** 102. ...

XX I ISC
US Pat. 7113987 - Filed Apr 25, 2001 - Quest Communications International
2, the communication service **provider** may operate a services when two or more
... the service **module** 52, a dynamic multiservice user profile **integration** ...

Integrated resource management system and method
US Pat. 6430562 - Filed Mar 1, 1999 - Electronic Data Systems Corporation
Generally described, the **customer** call host 20 generates work **order** 2s and **...**
35 In this embodiment of the invention, the **integration** of the **customer** call **...**
